

The Leadership Business has spent an extremely successful 27 years providing outstanding, experiential leadership programmes throughout the UK and Europe. We are leaders in our field.

We work to CIPD Professional Standards, so you are guaranteed a stimulating and memorable learning experience which will have a real and enduring impact on you for the rest of your career.

On the **Demonstrating Clinical Leadership** course you'll work in small, highly focused groups led by leadership experts. You'll cover proven ideas you can use personally to get the best out of others. They will work like magic to demonstrate better clinical leadership immediately. You'll have exclusive access to Reflective Templates during and after the course, receive written Feedback on your leadership, develop an Action Plan to apply your learning, and a Certificate of Attendance, all excellent evidence of improvement for your CPD records.

DEMONSTRATING CLINICAL LEADERSHIP SKILLS

A Practical Course For Registrars

DEMONSTRATING CLINICAL LEADERSHIP

A Practical Course for Registrars

New, improved course. On this exciting one-day training course you'll discover far more than just the revolutionary truth about leadership. You will also learn how simple and easy leadership is, and how you can quickly improve your skills to achieve sensational results.

"A fun and thought provoking event which really helps to build confidence in team leadership."

Annabel Teague, SpR Orthodontics, BCUHB NHS Trust

You will be amazed at the remarkable improvements you can make. You will love the challenging exercises, supportive feedback and chance to reflect. You will discover what you're already good at, what you must do right now to improve, and develop skills you can use immediately to help guarantee that you will become a better leader for the rest of your career.

"Very useful and a must before stepping into a consultancy role."

Sami Khan ST6 in Paediatrics, Wrexham Maelor Hospital

You'll explore the NHS Leadership Framework, and learn about Action Centred Leadership, an internationally acclaimed perspective on effective leadership. You'll learn what to focus

on, how to respond to challenges and problems to get amazing results, and how to quickly and easily improve the effectiveness of the teams in which you work.

"An excellent course. Very useful and relevant... Focused on key leadership skills which can be used in everyday practice."

Oliver Hobman, SpR, Oral and Maxillofacial Surgery, Glan Clwyd Hospital

Save yourself time. In just one day you will know what to do to get the best out of your people, and you'll develop your skills to lead effectively. Most importantly, you'll understand the magic of exactly when, how and why leadership works.

GOOD CLINICAL LEADERSHIP - A VITAL SKILL FOR DOCTORS

The Keogh Report, the Francis Report, and the GMC publication "Leadership and management for all doctors" (2013) all emphasise the importance of doctors as leaders. The NHS Leadership Framework is a set of leadership competencies. It tells you WHAT every doctor should KNOW and DO to lead clinical teams effectively.

The challenge is, to be effective you also need to know HOW and WHY? On this revolutionary course you will learn WHAT, HOW and WHY and then be able to DO. In just one day you will

quickly and easily improve your leadership skills.

You will be able to:

- ★ Inspire your clinical team to deliver outstanding service
- ★ Motivate others to give of their best
- ★ Tackle and solve team problems
- ★ Influence others to work better together
- ★ Demonstrate your leadership skills in clinical situations
- ★ Lay the leadership foundations of your future career

THE LEADERSHIP BUSINESS

We have been successfully running leadership and management courses for doctors throughout the NHS for over 14 years. Our courses are described by attendees as excellent and the feedback is always positive. For example:

"Verbal, glowing reports coming in from delegates."

Postgraduate Centre Manager.

On this course you will learn all of the essential knowledge, skills and in-sight you need to be able to demonstrate that you are an effective Clinical Leader in the modern NHS.

"Interesting, thoughtful. Good practical exercises with feedback."

K. Boregowda SpR Diabetes & Endocrinology, Prince Philip Hospital, Llanelli.
